School Performance Fact Sheet for use in the year 2017

This Program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the Institution, but is not equivalent to actual performance data. This program began on August 20, 2014. The estimated date of availability for two full years of data is December 1, 2020.

On-time Completion Rates (includes data for two calendar years prior to reporting)

Sangha Training Program [4-year program]

Calendar Year	No. of Students Who Began Program ¹	Students Available for Graduation ²	Number of On-time Graduates ³	On-time Completion Rate ⁴
2015	0	0	0	0
2016	0	0	0	0

¹ "Number of Students Who Began Program" means the number of students who began the program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year, and excludes all the students who cancelled during the cancellation period.

² "Students available for graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or called to active military duty.

³ "Number of On-Time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

⁴ "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.

Calendar Year	Number of Students Who Began Program ¹	Number of Graduates ²	Graduates Available for Employment ³	Graduates Employed in the Field ⁴	Placement Rate % Employed in the Field ⁵
2015	0	0	0	0	0
2016	0	0	0	0	0

¹ "Number of Students Who Began Program" means the number of students who began the program who are scheduled to complete the program within the reporting calendar year.

² "Number of Graduates" is the number of students who began the program and have been awarded a degree or diploma in the reporting year.

³ "Graduates Available for Employment" is the number of graduates minus the number of graduates unavailable for employment. "Graduates unavailable for employment" means graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or Bureau-approved postsecondary institution.

⁴ "Graduates Employed in the Field" means graduates who, beginning within six months after a student completed the applicable educational program, are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes the applicable educational program.

⁵ "Placement Rate % Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

A list of sources used to substantiate salary disclosures is available from the school. Please ask the SLTP Registrar [Heng Liang, heng.liang@netzero.net, (707-246-8622)], if you would like:

- A description of the manner in which the completion, placement, and salary figures described above are calculated.
- A list of the employment positions determined to be within the field for which a student received education and training for the calculation of job placement rates.
- A list of the objective sources of information used to substantiate the salary disclosure.
- Additional information regarding how the figures provided in this fact sheet were calculated.

Student Loan Information

The Cohort Default Rate (CDR) represents the percentage of an institution's students that failed to make required payments on their federal loans within three years of when they were required to begin repayment of that loan. Students at Sangha & Laity Training Programs are not eligible for federal student loans. This institution does not meet the U.S. Department of Education criteria that would allow its students to participate in federal student aid programs.
